Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,
J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of His Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their Ranks after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,
C. WOOD.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

Superintendents of the Dock-yards, Victualling and Medical Establishments, or

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted; and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.
Masters.
Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By Command of their Lordships,
JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be refused.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Mates, in the same manner as when they were Petty Officers, under the 18th clause Act 11 Geo. IV. Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,
JOHN BARROW.

CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials

from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain. CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, August 12th, 1840.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS AND SCHOOLMASTERS. ESTABLISHED BY ORDER IN COUNCIL OF THE 22nd DEC. 1836, AND 10th AUGUST, 1840.

No person will be considered eligible for the situation who is under 20 years of age or more than 35.

Before any person can hereafter receive an appointment as Schoolmaster in a Ship of the Line or Frigate, he will be required to produce a certificate of his age, and testimonials of good character, and to pass an examination as to his qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six, the eleventh and twelfth books of Euclid; their application to the measurement of Planes and Solid Bodies.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, and the various problems in Surveying, the Measurement of Heights and Distances, Navigation, and Nautical Astronomy, particularly the principles on which the various formulas for ascertaining the longitude are constructed; and practical astronomy, so far as may be required for determining the latitude and longitude in all cases.

5th. The uses of Mathematical and Nautical Instruments, the Quadrant, Sextant, Compasses, and Chronometers.

6th. The theory of Projectiles, and its application to Gunnery.

7th. The Classics, to such as enter with some knowledge of Latin and Greek.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, will not at first be required as indispensable qualifications, it is very desirable that Naval Schoolmasters should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

Schoolmasters established by the above-

mentioned Orders in Council are to be designated "Naval Instructors and Schoolmasters." The full Pay of Naval Instructors and Schoolmasters is to be—

Upon their first entry in the Service, 7s. a day.
After Three Years' service on Full Pay, 7s. 6d.
After Seven Years, 8s. 6d.
After Ten Years, 10s.

And Five Pounds a Year for each young Gentleman who shall receive instruction from them; but the Bounty of £30 a Year heretofore allowed is to be discontinued.

The Half-Pay of Naval Instructors and Schoolmasters is to be—

After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 3s.
After Ten Years' Service on Full Pay, 4s. 6d.
After Twenty Years Service on Full Pay, 5s.

But no Naval Instructor or Schoolmaster who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors and Schoolmasters.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor and Schoolmaster, he will be entitled to the Bounty of £30 a year, and £5 from each young Gentleman instructed by him, in addition to his pay as Chaplain.

The foregoing rates of Pay and Half-Pay are to commence from the 1st of July last.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. Wood.

MEMORANDUM.

Admiralty, May 15th, 1837.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer, and the approbation of the senior Officer present.

The Seaman's Schoolmaster is to be competent to teach Reading, Writing, and Arithmetic, viz., the first four rules, the Rule of Three, Vulgar and Decimal Fractions, Logarithmic Arithmetic, Plane Trigonometry, and to keep a ship's reckoning at sea.

He is to be examined as to his fitness by the Naval Instructor of the Flag Ship of the port where his ship may be fitted out, or by some other competent person to be named by the Port Admiral, who is to give a Certificate of his fitness, which is to be transmitted to this Office before the appointment is approved.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

The pay of the Seaman's Schoolmaster is to be in 1st Rates £2. 12s.—2nd Rates £2. 10s.—3rd Rates £2. 8s.—4th Rates £2. 6s.—5th Rates £2. 4s.—6th Rates £2. 2s.—below 6th Rates £2. 1s.

By Command of their Lordships,
C. Wood.

That the clerk in charge in small vessels shall share as a purser, unless a ship or vessel bearing a purser be present, when he is to share only as clerk.

That in all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, that no flag-officer, or other person, not actually present at the capture or destruction of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, or boats; and also that no flag-officer, or other person, who shall not have been actually on board of any of Our ships, or vessels of war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war or privateers belonging to the enemy, shall be entitled to share in the distribution of any head or bounty-money, granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he

shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive a proportion of the flag share, according to the number of capturing ships or vessels belonging to each flag respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging

to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and

uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 8rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they

Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

All former notices on the subject of Officers

settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,

JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN THE AUSTRALIAN COLONIES.

1. Military and Naval Officers cannot receive free grants of land: but, in buying Crown land, they will be allowed a remission of the purchase money, according to the undermentioned scale:

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 25 years' service and upwards, in the whole 300*l*.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 20 years' service and less than 25, in the whole 250*l*.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of less than 20 years' service, in the whole 200*l*.

Lieutenants, Masters, and Surgeons of the Royal Navy, and Captains of Royal Marines, of 20 years' service and upwards, in the whole 200*l*.

Lieutenants, Masters, and Surgeons of the Royal Navy, and Captains of Royal Marines, of less than 20 years' service, in the whole 150*l*.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of 20 years' service and upwards, in the whole 150*l*.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of less than 20 years' service, in the whole 100*l*.

Regimental Staff Officers and Medical Officers of the Army and Navy will be deemed to come within the benefit of this Rule, and also Retired Officers of the East India Company's

Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges in the acquisition of Crown land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances.

5. Gentlemen who have ceased to belong to Her Majesty's Service, cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Article 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz. :—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years' Service, Twopence a day, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension, and no period of time shall be allowed during which a Seaman or Marine shall not have maintained a good character in the Ship or Division to which he belonged. All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be re-taken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the

Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

On a ship being ordered to be paid off, the Captain or Commanding Officer may recommend for the Medal and Gratuity any Petty Officer or Seaman, or Non-Commissioned Officer or Private of Marines (not exceeding in number the proportion of one for every hundred of the Crew) who shall have completed 21 years' service, who shall have behaved himself invariably well in such ship, and who shall be in possession of Certificates of good conduct throughout his former service. The Gratuities to be awarded are to be according to the following scale.—15*l.* to First Class Petty Officers or Serjeants of Marines, provided they shall have served as such ten years. 7*l.* to Second Class Petty Officers or Serjeants of Marines, provided they shall have served as such seven years. 5*l.* to Able Seamen or Privates of Marines.

By Command of their Lordships,
GEORGE ELLIOT.

Twenty-one years' Service at Sea or on Foreign Service shall entitle him, as it does a Seaman, to his discharge and Pension; two years' Service on shore in England shall be allowed to reckon as one year served afloat for this purpose; but no Marine shall be entitled to such Pension who shall not have served Ten Years actually at Sea or on Foreign Service.

By command of their Lordships,

The other restrictions specified in the said Article continue in force.

By command of their Lordships,
GEORGE ELLIOT.

are to be selected from among the *Mates* who have passed both examinations, if serving at home, or for seamanship, if serving abroad, one complete year, or from *College Midshipmen*; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to *Mates* or *Midshipmen* forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "*Admiralty Midshipman*," except by their Lordships' special authority; but, in the event of there being more *Admiralty* or *College Midshipmen* unemployed than can be provided for under the regulation in the foregoing article, their Lord-

ships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the *Mates*, *Midshipmen*, *Admiralty* and *College Midshipmen*, *College* and *First Class Volunteers*, and of *Masters' Assistants*, and *Second Class Volunteers* (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any *Mate* or *Midshipman* shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief: but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be

filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board. By command of their Lordships,

GEORGE F. R. 167.

Respecting the Rank and Appointment of Mates, as established by Her Majesty's Order in Council, of the 10th August, 1840.

Admiralty, 12th August, 1840.

All *Midshipmen* who shall have passed such Examination respecting their Qualifications for the appointment of Lieutenant as the Lords Commissioners of the Admiralty may from time to time direct, (if abroad, for Seaman-ship and Navigation, and if at home also at the Royal Naval College), shall be considered eligible to have Warrants or Commissions as *Mates* in whatever Ship they may be serving; such Warrant or Commission will be given by the Lords Commissioners of the Admiralty, upon the recommendation of the Commanding Officer of the Ship in which the person may be serving, transmitted by the Commander in Chief or Senior Officer on the Station.

During their first three years of actual service as *Mates* in the Royal Navy they will take Rank with Ensigns in the Army, and after three years' service with Lieutenants in the Army, according to their seniority as *Mates*, to be computed from the dates of their original Warrants from their respective Captains, under the former regulations in respect to *Mates*.

Commanders in Chief on Foreign Stations may give Acting Warrants as *Mates* to such *Midshipmen* as may pass abroad for Seaman-ship and Navigation, which Warrants will be

REGULATIONS AS TO THE QUALIFICATIONS AND EXAMINATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

FIRST ENGINEER.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

SECOND ENGINEERS must not be inferior in education to the First Engineers, and but little behind in mechanical acquirements, with the exception of the nice points of adjustment of slides, parallels, motions, &c.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the out-

lines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*.

Boys of the *Second Class*, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of Third Class Engineers, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 20th Dec. 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 28th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive Instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his Instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the Instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 30th Oct. 1840.

The Lords Commissioners of the Admiralty are pleased to direct that the questions and instructions for the exercise and service of great

guns on board Her Majesty's Ships shall form part of the examination of Midshipmen for the rank of Mate or Lieutenant, and that a Certificate shall be given to such only as may answer and understand the several points to which these questions refer; and my Lords further direct that such portions of the Examination in the questions and instructions as can be carried on on board Her Majesty's Ship Excellent shall be made there, and that no Candidate for Examination shall be permitted to present himself at the College unless he produce a Certificate from the Captain of Her Majesty's Ship Excellent of his being qualified in Gunnery in addition to the usual certificate of his being qualified in seamanship.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the First Class who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications:—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such examination may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1880.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their Ranks after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,

C. WOOD.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration the Place of their residence at the date of each Declaration.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,
Superintendents of the Dock-yards, Victualling and Medical Establishments, or

A Justice of the Peace or Magistrate; and by the Act 6 and 7 William IV. cap. 98, sec. 27, it is further enacted, "That every such Declaration shall and may be made and subscribed before any one or more of His Majesty's Justices of the Peace, or before the resident Minister of the Established Church, in any Parish in England, Scotland, or Ireland, or before any of the Persons appointed to examine Vouchers in the office of the Paymaster General."

Officers residing abroad must make their Declarations before one of his Majesty's Ministers; Secretary of Embassy or Legation, or Consul; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to attest Declarations in such Places; and the Address must be given at the foot of the Signature to the Declaration.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted: and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Purkers.
Masters.
Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By Command of their Lordships,

JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resented.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,

R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Mates, in the same manner as when they were Petty Officers, under the 13th clause Act 11 Geo. IV, Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,

JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials

from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain. CHARLES WOOD,

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the _____ day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, August 12th, 1840.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS AND SCHOOLMASTERS. ESTABLISHED BY ORDER IN COUNCIL OF THE 22nd DEC. 1836, AND 10th AUGUST, 1840.

No person will be considered eligible for the situation who is under 20 years of age or more than 35.

Before any person can hereafter receive an appointment as Schoolmaster in a Ship of the Line or Frigate, he will be required to produce a certificate of his age, and testimonials of good character, and to pass an examination as to his qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six, the eleventh and twelfth books of Euclid; their application to the measurement of Planes and Solid Bodies.

3rd Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, and the various problems in Surveying, the Measurement of Heights and Distances, Navigation, and Nautical Astronomy, particularly the principles on which the various formulae for ascertaining the longitude are constructed; and practical astronomy, so far as may be required for determining the latitude and longitude in all cases.

5th. The uses of Mathematical and Nautical Instruments, the Quadrant, Sextant, Compasses, and Chronometers.

6th. The theory of Projectiles, and its application to Gunnery.

7th. The Classics, to such as enter with some knowledge of Latin and Greek.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, will not at first be required as indispensable qualifications, it is very desirable that Naval Schoolmasters should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

Schoolmasters established by the above

mentioned Orders in Council are to be designated "Naval Instructors and Schoolmasters."

The full Pay of Naval Instructors and Schoolmasters is to be—

Upon their first entry in the Service, 7s. a day.
After Three Years' service on Full Pay, 7s. 6d.
After Seven Years, 8s. 6d.
After Ten Years, 10s.

And Five Pounds a Year for each young Gentleman who shall receive instruction from them; but the Bounty of £80 a Year heretofore allowed is to be discontinued.

The Half-Pay of Naval Instructors and Schoolmasters is to be—

After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 3s.
After Ten Years' Service on Full Pay, 4s. 6d.
After Twenty Years Service on Full Pay, 5s.

But no Naval Instructor or Schoolmaster who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors and Schoolmasters.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor and Schoolmaster, he will be entitled to the Bounty of £30 a year, and £3 from each young Gentleman instructed by him, in addition to his pay as Chaplain.

The foregoing rates of Pay and Half-Pay are to commence from the 1st of July last.

By Command of their Lordships,
R. MORGAN O'FERRALL.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. Wood.

MEMORANDUM.

Admiralty, May 15th, 1837.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer, and the approbation of the senior Officer present.

The Seaman's Schoolmaster is to be competent to teach Reading, Writing, and Arithmetic, viz., the first four rules, the Rule of Three, Vulgar and Decimal Fractions, Logarithmic Arithmetic, Plane Trigonometry, and to keep a ship's reckoning at sea.

He is to be examined as to his fitness by the Naval Instructor of the Flag Ship of the port where his ship may be fitted out, or by some other competent person to be named by the Port Admiral, who is to give a Certificate of his fitness, which is to be transmitted to this Office before the appointment is approved.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

That in all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, that no flag-officer, or other person, not actually present at the capture or destruction of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, or boats; and also that no flag-officer, or other person, who shall not have been actually on board of any of Our ships, or vessels of war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war or privateers belonging to the enemy, shall be entitled to share in the distribution of any tender or bounty-money, granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he

shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive a proportion of the flag share, according to the number of capturing ships or vessels belonging to each flag respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging

to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinafter made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and

uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases *Greenwich Hospital* is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

MEMORANDUM.

Admiralty, 21st Sept., 1838.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been issued by the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers

Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges in the acquisition of Crown land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances.

5. Gentlemen who have ceased to belong to Her Majesty's Service, cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies; it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Mate, Midshipman, Master's Assistant, Naval Instructor and Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service, on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, according to the following scale, viz.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day. but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Article 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz.—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years' Service, Twopence a day, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension, and no period of time shall be allowed during which a Seaman or Marine shall not have maintained a good character in the Ship or Division to which he belonged. All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be retaken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the

Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

On a ship being ordered to be paid off, the Captain or Commanding Officer may recommend for the Medal and Gratuity any Petty Officer or Seaman, or Non-Commissioned Officer or Private of Marines (not exceeding in number the proportion of one for every hundred of the Crew) who shall have completed 21 years' service, who shall have behaved himself invariably well in such ship, and who shall be in possession of Certificates of good conduct throughout his former service. The Gratuities to be awarded are to be according to the following scale.—15*l.* to First Class Petty Officers or Serjeants of Marines, provided they shall have served as such ten years. 7*l.* to Second Class Petty Officers or Serjeants of Marines, provided they shall have served as such seven years. 5*l.* to Able Seamen or Privates of Marines.

MEMORANDUM.

Admiralty, 4th Nov. 1881.

With reference to the 3rd Article of the Regulations for granting Pensions from Greenwich Hospital, the limitation of Twenty-one Years' Service, reckoning from the age of Twenty, shall be considered applicable only to the case of such Seamen and Marines as shall have entered the Service on or after the 1st January, 1832.

By Command of their Lordships,
GEORGE ELLIOT.

Twenty-one years' Service at Sea or on Foreign Service shall entitle him, as it does a Seaman, to his discharge and Pension; two years' Service on shore in England shall be allowed to reckon as one year served afloat for this purpose; but no Marine shall be entitled to such Pension who shall not have served Ten Years actually at Sea or on Foreign Service.

By command of their Lordships,

The other restrictions specified in the said Article continue in force.

By command of their Lordships,
GEORGE ELLIOT.

are to be selected from among the Mates who have passed both examinations. If serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lord-

ships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted *quarterly* to this Office, through the several Commanders-in-Chief, of the *Matca*, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be *paid off*, a similar Return is to be *immediately* made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be

filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE F. L. 107.

Admiralty, 16th Dec. 1839.

My Lords Commissioners of the Admiralty are pleased to direct that in future the names of all Mates who shall remain out of the Service for more than one year, without applying for an Appointment, shall be removed from the official Register of Mates and Midshipmen, and they shall be considered as having relinquished the Naval Service; unless my Lords shall be satisfied that the omission proceeded from unavoidable causes.

MEMORANDUM.

Respecting the Rank and Appointment of Mates, as established by Her Majesty's Order in Council, of the 10th August, 1840.

Admiralty, 12th August, 1840.

All Midshipmen who shall have passed such Examination respecting their Qualifications for the appointment of Lieutenant as the Lords Commissioners of the Admiralty may from time to time direct, (if abroad, for Seaman-ship and Navigation, and if at home also at the Royal Naval College), shall be considered eligible to have Warrants or Commissions as Mates in whatever Ship they may be serving; such Warrant or Commission will be given by the Lords Commissioners of the Admiralty, upon the recommendation of the Commanding Officer of the Ship in which the person may be serving, transmitted by the Commander in Chief or Senior Officer on the Station.

During their first three years of actual service as Mates in the Royal Navy they will take Rank with Ensigns in the Army, and after three years' service with Lieutenants in the Army, according to their seniority as Mates, to be computed from the dates of their original Warrants from their respective Captains, under the former regulations in respect to Mates.

Commanders in Chief on Foreign Stations may give Acting Warrants as Mates to such Midshipmen as may pass abroad for Seaman-ship and Navigation, which Warrants will be

confirmed from their original dates if approved by their Lordships, provided they pass their examination at the Royal Naval College in two months after their arrival in England; but no person appointed to act as Mate or as Lieutenant is to be sent home from a Foreign Station for the purpose of passing such examination.

MEMORANDUM.

Admiralty, 17th Dec. 1841.

The *Mates* of the Royal Navy taking rank on the Navy List according to their first Warrants as such:—The Lords Commissioners of the Admiralty are pleased to direct, that in cases of a Midshipman having completed the required time to entitle him to pass for a Lieutenancy, when the Ship to which he belongs shall happen to be detached so as to prevent his obtaining at the moment an examination according to the established Regulations, the Captain or Commander of the said Ship or Vessel in which such Midshipman may be serving, with the Senior Lieutenant or Second Officer, and the Master or Second Master, (according to the Class of Ship and the Rank of Officers on board of her,) assisted by the Naval Instructor, if there be one on board, may proceed to examine such Midshipman as to his qualifications to perform the duties of a Lieutenant of Her Majesty's Navy, and if they find him to be in their opinions duly qualified, they are to give him a Certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate, and if on the first opportunity that shall afterwards offer for his being re-examined according to the established Regulations, he passes successfully, his rank as Mate shall be enrolled according to the date of his first provisional Certificate above ordered.

By Command of their Lordships,
SIDNEY HERBERT.

Admiralty, 11th Oct. 1834.

It is the direction of my Lords Commissioners of the Admiralty that in each of His Majesty's Ships, commissioned after the date hereof, bearing in their complements one or more Volunteers of the First Class, only *one fresh entry into the Service* shall be made: but the remainder shall be selected, where there are more than one, by the respective Captains or Commanding Officers, from Young Gentlemen who have already been in the Service, and submitted for the approbation of their Lordships.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,

REGULATIONS AS TO THE QUALIFICATIONS AND EXAMINATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

FIRST ENGINEER.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

SECOND ENGINEERS must not be inferior in education to the First Engineers, and but little behind in mechanical acquirements, with the exception of the nice points of adjustment of slides, parallels, motions, &c.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine-work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the out-

lines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*.

Boys of the *Second Class*, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of Third Class Engineers, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 20th Dec. 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive Instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his Instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the Instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 20th Oct., 1840.

The Lords Commissioners of the Admiralty are pleased to direct that the questions and instructions for the exercise and service of great

guns on board Her Majesty's Ships shall form part of the examination of Midshipmen for the rank of Mate or Lieutenant, and that a Certificate shall be given to such only as may answer and understand the several points to which these questions refer; and my Lords further direct that such portions of the Examination in the questions and instructions as can be carried on on board Her Majesty's Ship Excellent shall be made there, and that no Candidate for Examination shall be permitted to present himself at the College unless he produce a Certificate from the Captain of Her Majesty's Ship Excellent of his being qualified in Gunnery in addition to the usual certificate of his being qualified in seamanship.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the First Class who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications:—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the true altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,

REGULATIONS FOR GRANTING ALLOWANCES FOR THE LOSS OF CLOTHING, INSTRUMENTS, &c.

Her Majesty having been graciously pleased, by Her Orders in Council of the 10th of August, 1840, and 11th instant, to direct that Officers of all ranks and classes in the Royal Navy and Marines, and also Seamen, and Privates of Royal Marines, shall receive a compensation for the loss of their Instruments, Clothing, and other effects, subject to such Rules and Regulations as the Lords' Commissioners of the Admiralty may think fit to establish; provided they shall be acquitted of all blame as to the cause of any such loss, their Lordships are pleased to give notice that the following Regulations shall be observed in respect to the granting of compensation for such losses.

1. That the principle upon which allowances for articles lost on Service are granted, shall be, that of enabling individuals to re-equip themselves for Service,—and allowances are therefore not to be considered as given for the purpose of making good the full amount of loss sustained.

2. Allowances are to be only made for losses which have been altogether unavoidable, such as losses in action with the enemy; by accidental fire; by shipwreck; by capture at sea:

provided that in all these cases, every exertion was used to prevent the loss, and that it was not incurred by the neglect or fault of the applicant for relief; and in no case will an allowance be made exceeding the maximum sums stated in the Schedule attached hereto.

8. If the Admiral or Commanding Officer of the Squadron on the spot, shall be satisfied on inquiry that losses have been unavoidably sustained, which in his opinion may admit of compensation on the principles laid down in the foregoing Regulation, though not precisely specified therein, he shall be at liberty to make a special representation thereof, transmitting the necessary proofs to the Secretary of the Admiralty for final decision.

4. No claim will be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

5. Whenever baggage or articles of equipment are sent by a vessel, in which the Officer to whom they belong is not himself a passenger, it is incumbent upon such Officer to protect himself against loss, by effecting an insurance thereupon; and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the public for any loss that may happen.

If any loss shall occur under circumstances which give the Officer a claim to indemnification from the party through whose fault it happened, no allowance for such loss will be made by the public: but should the Officer desire it, and lose no time in making application to the Officer commanding Her Majesty's ships on the spot, an inquiry will be ordered, to afford every possible assistance in substantiating the claim, by making the necessary inquiries, and obtaining proper documents to prove the facts of the case.

6. When losses occur on Service, the Admiral shall order, with all convenient dispatch, an investigation of claims arising from those losses, which inquiry is to be conducted on the principles laid down in this Regulation, and the several proofs to be produced in the forms hereinafter described; and the whole of the proceedings, or certified copies thereof, are to be transmitted to the Officer commanding the Squadron, for his observations and opinion, and by him forwarded to the Secretary of the Admiralty for their Lordship's final decision.

7. In all cases which are not attended with the entire loss of clothes of an Officer, Seaman, or Marine, no claim is to be allowed, unless the loss extends to the value of one-fourth of the amount allowed as compensation for the whole in each rank; and a list of the articles lost shall be delivered, and the Investigating Officer shall report whether he deems one-fourth, one-half, or three-fourths of the sum allowed for the whole, a sufficient compensation for the loss so sustained.

8. If an Officer, Seaman, or Marine, shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects; unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

Personal Losses of Officers.

9. The whole equipment of Officers of the several ranks, including the articles in wear, shall be valued according to the scale No. 1.

10. The claims of all Officers to allowance for articles lost on Service, shall be made out, and certified according to the form No. 2; and separate Lists shall be transmitted of all Instruments and Books, subjects strictly pro-

fessional, showing their original cost, and the amount of the damage they may have sustained.

11. If losses should occur in other situations where a greater extent of equipment is absolutely required by the nature of the Service, the actual amount of loss suffered, and the circumstances attending it, may be specially stated at any inquiry appointed for the investigation of losses; such inquiry proceeding in the investigation of the claim upon the same principle as in the preceding article.

The opinion of the Officers assisting at such inquiry, will be forwarded for the consideration of their Lordships.

12. Losses of necessaries incurred by the Purser, shall be made the subject of a special application and decision in each particular case.

13. No allowance shall be granted for losses sustained by Officers when proceeding on, or returning from leave of absence.

14. No claim shall be admitted on account of the loss of money, being the private property of individuals.

Losses of Petty Officers and Seamen, and of Non-commissioned Officers and Marines.

15. Claims on account of Losses on Service by Petty Officers, Non-commissioned Officers, Seamen and Marines, individually, are to be made out and certified according to Form No. 3.

16. All admissible claims of this description shall be settled by allowing for the whole, or for a certain proportion, or rate, of a complete set of Bedding or Clothing, according to the circumstances of each case.

By command of their Lordships,
SIDNEY HERBERT.

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their Ranks after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,

C. WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioners and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1835.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.

Masters.

Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office,

or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resented.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Mates, in the same manner as when they were Petty Officers, under the 13th clause Act 11 Geo. IV. Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,
JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the _____ day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor, he will be entitled to £5 a year from each young Gentleman instructed by him, in addition to his pay as Chaplain, and to three-fourths of the amount of the full pay of Naval Instructors, according to the length of their service as such, but the Bounty of £30 a year is to be discontinued.

Provided always, that the distribution hereinafore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

GOD SAVE THE KING.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has

been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 8rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be

thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, Sir, J. W. Croker.

BY THE KING.

settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 25 years' service and upwards, in the whole 300l.

Commanders, and Officers of the Royal Navy above that Rank, and Field Officers of Royal Marines, of 20 years' service and less than 25, in the whole 250l.

Assistant Surgeons of the Royal Navy, and Subalterns of Royal Marines, of less than 20 years' service, in the whole 100l.

Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master-General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withdrawn for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

Article 1.—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Mate, Midshipman, Master's-Assistant, Naval Instructor and Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service, on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, according to the following scale, viz.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day, but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for *sickness or debility contracted in the Service, or for wounds or hurts received in it by accident*, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *debility contracted in the service, and not from want of proper care on his part*, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Article 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

are to be selected from among the Mates who have passed both examinations. If serving at home, or for seamanship, if serving abroad, one complete year—or from College Midshipmen; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or College Midshipmen unemployed than can be provided for under the regulation in the foregoing article, their Lord-

ships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 7.—In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

Art. 8.—A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Admiralty and College Midshipmen, College and First Class Volunteers, and of Masters' Assistants, and Second Class Volunteers (if any), serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Art. 10.—Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be

filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board. By command of their Lordships,

GEORGE ELLIOT.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, and capable of setting right any defects which may arise in the engine or boilers; and also to adjust the length of the various rods and motions, slide valves and eccentrics.

He must have been at sea as an Engineer, and be capable of working, starting, and stopping the Engines, &c., and able to make rough sketches, correct in proportions, of any part of the machinery; and willing to take charge of and teach the apprentices.

THIRD ENGINEERS should be equal in education to the Second and First Engineers, and will be selected either from the Senior Class of Apprentices, or appointed direct from a factory. They must be accustomed to engine work, and acquainted with the principles of the engine, with the names of all its parts, their uses, and effect in producing motion.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Classes, until he shall have passed an examination on the points above stated, or on such further points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Chief Engineer and Inspector of Steam Machinery, or such other Officers as they may appoint for that purpose.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' APPRENTICES.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14 years of age. They must be of good moral character and sound bodily constitution, able to write, and to work a question in the Rule of Three.

They will be kept one year in the Dock Yard at Woolwich, where they will receive the necessary instruction, and their capabilities will be ascertained.

THIRD CLASS.—At the expiration of their third year of service the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c., and the reasons for blowing off the boilers.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, being then 18 years of age, be acquainted, through the instruction of the Chief Engineer, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the out-

lines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*.

Boys of the *Second Class*, having attained the fifth and last year of their apprenticeship, will be again transferred to the Dockyard Cheque, there to be solely under the direction of the resident Engineer of the establishment, where a more extended practical knowledge, &c., can be acquired. A portion of their time is to be passed at the forge, the brazier's shop, the lathe, and the foundry, under proper instruction, a general acquaintance with each being necessary for an Engineer. They are also to improve themselves in arithmetic.

FIRST CLASS.—At the expiration of the fifth year, having then reached the age of 19, if on a strict examination the apprentices be found qualified for the appointment of *Third Class Engineers*, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

MEMORANDUM.

Admiralty, 20th Dec. 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1833, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive Instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his Instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the Instruction at the Royal Naval College.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

No Cadet will be allowed to proceed to the College until he has passed through the whole plan of instruction laid down for Marine Cadets in the "Excellent," and he will not be received at the College unless he produces a Certificate of good conduct from the Captain of the "Excellent."

All the Examinations proposed are to be carried on by the Professor at the Royal Naval College under the direction of the Captain of the "Excellent."

MEMORANDUM.

Admiralty, 22nd April, 1841.

My Lords Commissioners of the Admiralty are pleased to direct, that the undermentioned Sums be paid by each Cadet to the Accountant-General of the Navy:—

Cadets under Ordinary Circumstances £30 per annum.

Sons of Officers dying upon Full Pay, or of Officers on Half Pay with large families and inadequate means, £15 per annum.

Sons of Officers killed in the Service, or of Officers dying on Full Pay whose families are left in great distress, Gratis.

By Command of their Lordships,
R. MORE O'FERRALL.

Admiralty, 14 March, 1842.

REGULATIONS FOR GRANTING ALLOWANCES FOR THE LOSS OF CLOTHING, INSTRUMENTS, &c.

Her Majesty having been graciously pleased, by Her Orders in Council of the 10th of August, 1840, and 11th instant, to direct that Officers of all ranks and classes in the Royal Navy and Marines, and also Seamen, and Privates of Royal Marines, shall receive a compensation for the loss of their Instruments, Clothing, and other effects, subject to such Rules and Regulations as the Lords' Commissioners of the Admiralty may think fit to establish; provided they shall be acquitted of all blame as to the cause of any such loss, their Lordships are pleased to give notice that the following Regulations shall be observed in respect to the granting of compensation for such losses.

1. That the principle upon which allowances for articles lost on Service are granted, shall be, that of enabling individuals to re-equip themselves for Service,—and allowances are therefore not to be considered as given for the purpose of making good the full amount of loss sustained.

2. Allowances are to be only made for losses which have been altogether unavoidable, such as losses in action with the enemy; by accidental fire; by shipwreck; by capture at sea: provided that in all these cases, every exertion was used to prevent the loss, and that it was not incurred by the neglect or fault of the applicant for relief; and in no case will an allowance be made exceeding the maximum sums stated in the Schedule attached hereto.

3. If the Admiral or Commanding Officer of the Squadron on the spot, shall be satisfied on inquiry that losses have been unavoidably sustained, which in his opinion may admit of compensation on the principles laid down in the foregoing Regulation, though not precisely specified therein, he shall be at liberty to make a special representation thereof, transmitting the necessary proofs to the Secretary of the Admiralty for final decision.

4. No claim will be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

5. Whenever baggage or articles of equipment are sent by a vessel, in which the Officer to whom they belong is not himself a passenger, it is incumbent upon such Officer to protect himself against loss, by effecting an insurance thereupon; and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the public for any loss that may happen.

If any loss shall occur under circumstances which give the Officer a claim to indemnification from the party through whose fault it happened, no allowance for such loss will be made by the public: but should the Officer desire it, and lose no time in making application to the Officer commanding Her Majesty's ships on the spot, an inquiry will be ordered, to afford every possible assistance in substantiating the claim, by making the necessary inquiries, and obtaining proper documents to prove the facts of the case.

6. When losses occur on Service, the Admiral shall order, with all convenient dispatch, an investigation of claims arising from those losses, which inquiry is to be conducted on the principles laid down in this Regulation, and the several proofs to be produced in the forms hereinafter described; and the whole of the proceedings, or certified copies thereof, are to be transmitted to the Officer commanding the Squadron, for his observations and opinion, and by him forwarded to the Secretary of the Admiralty for their Lordship's final decision.

7. In all cases which are not attended with the entire loss of clothes of an Officer, Seaman, or Marine, no claim is to be allowed, unless the loss extends to the value of one-fourth of the amount allowed as compensation for the whole in each rank; and a list of the articles lost shall be delivered, and the Investigating Officer shall report whether he deems one-fourth, one-half, or three-fourths of the sum allowed for the whole, a sufficient compensation for the loss so sustained.

8. If an Officer, Seaman, or Marine, shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects; unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

Personal Losses of Officers.

9. The whole equipment of Officers of the several ranks, including the articles in wear, shall be valued according to the scale No. 1.

10. The claims of all Officers to allowance

for articles lost on Service, shall be made out, and certified according to the form No. 2; and separate Lists shall be transmitted of all Instruments and Books, subjects strictly professional, showing their original cost, and the amount of the damage they may have sustained.

11. If losses should occur in other situations where a greater extent of equipment is absolutely required by the nature of the Service, the actual amount of loss suffered, and the circumstances attending it, may be specially stated at any inquiry appointed for the investigation of losses; such inquiry proceeding in the investigation of the claim upon the same principle as in the preceding article.

The opinion of the Officers assisting at such inquiry, will be forwarded for the consideration of their Lordships.

12. Losses of necessaries incurred by the Purser, shall be made the subject of a special application and decision in each particular case.

13. No allowance shall be granted for losses sustained by Officers when proceeding on, or returning from leave of absence.

14. No claim shall be admitted on account of the loss of money, being the private property of individuals.

Losses of Petty Officers and Seamen, and of Non-commissioned Officers and Marines.

15. Claims on account of Losses on Service by Petty Officers, Non-commissioned Officers, Seamen and Marines, individually, are to be made out and certified according to Form, No. 3.

16. All admissible claims of this description shall be settled by allowing for the whole, or for a certain proportion, or rate, of a complete set of Bedding or Clothing, according to the circumstances of each case.

By command of their Lordships,
SIDNEY HERBERT.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to direct that, in cases of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,

J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their Ranks after their Signatures as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.

By command of their Lordships,

C. WOOD.

Admiralty, 30th September, 1835

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers

of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration the Place of their residence at the date of each Declaration.

CHARLES WOOD.

Admiralty, 30th September, 1835.

By Order of the Admiralty, after a reasonable lapse of time for the promulgation of the above Notice, no Declaration is to be received which shall not have the Officer's Residence stated thereon, as above directed.

These Declarations for Half-Pay can only be made before the undermentioned Officers, named in the Act of 1st George I. cap. 25, sec. 9 and 10.

One of the Commissioners or Secretaries of the Admiralty,

Superintendents of the Dock-yards, Victualling and Medical Establishments, or

A Justice of the Peace or Magistrate; and by the Act 6 and 7 William IV. cap. 98, sec. 27, it is further enacted, "That every such Declaration shall and may be made and subscribed before any one or more of His Majesty's Justices of the Peace, or before the resident Minister of the Established Church, in any Parish in England, Scotland, or Ireland, or before any of the Persons appointed to examine Vouchers in the office of the Paymaster General."

Officers residing abroad must make their Declarations before one of his Majesty's Ministers; Secretary of Embassy or Legation, or Consul; or where there shall be no such Minister, &c., before some Magistrate, or other Person competent to attest Declarations in such Places; and the Address must be given at the foot of the Signature to the Declaration.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted: and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Pursers.

Masters.

Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals.

Captains.

Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office,

or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By Command of their Lordships,
JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be respite.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Maies, in the same manner as when they were Petty Officers, under the 18th clause Act 11 Geo. IV. Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,
JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, March 16th, 1842.

REGULATIONS FOR THE QUALIFICATION, PAY, AND HALF-PAY OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 85.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, theoretical and practical.

5th. Nautical Astronomy, particularly the principles on which the various rules for finding the latitude and longitude are founded.

6th. Mechanics.

7th. Hydrostatics.

8th. A competent knowledge of the Classics. The final examination of Candidates for Naval Instructorships will comprise:—

1st. The usual College passing examination in Navigation.

2nd. The application of the theory of Projectiles to Gunnery.

3rd. Observations with the Sextant, &c. The use of the Azimuth Compass and Chronometers, &c. Perfect proficiency will be expected in observing: 250 numbers will be required to pass a Candidate in the College Paper, and 35 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

The full Pay of Naval Instructors is to be—
Upon their first entry in the Service, 7s. a day.
After Three Years' service on Full Pay, 7s. 6d.
After Seven Years, 8s. 6d.
After Ten Years, 10s.

And Five Pounds a Year for each young Gentleman who shall receive instruction from them; but the Bounty of £30 a Year heretofore allowed is to be discontinued.

The Half-Pay of Naval Instructors is to be—
After their first entry, 2s. a day.
After Three Years' Service on Full Pay, 8s.
After Ten Years' Service on Full Pay, 4s. 6d.
After Twenty Years Service on Full Pay, 5s.

But no Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

In the event of a Chaplain of a Ship being appointed to act also as Naval Instructor, he will be entitled to £5 a year from each young Gentleman instructed by him, in addition to his pay as Chaplain, and to three-fourths of the amount of the full pay of Naval Instructors, according to the length of their service as such, but the Bounty of £30 a year is to be discontinued.

The half-pay of Chaplains and Naval Instructors after 15 years service on full-pay is to be one-half of the highest rate of half-pay of Naval Instructors, in addition to the half-pay to which they may be entitled as Chaplains.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer. Unless they be in Holy Orders, they are to wear the same uniform as Masters, but without epaulettes or gold lace on the trowsers.

By Command of their Lordships,
SIDNEY HERBERT.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy.

C. Wood.

MEMORANDUM.

Admiralty, May 15th, 1837.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer, and the approbation of the senior Officer present.

The Seaman's Schoolmaster is to be competent to teach Reading, Writing, and Arithmetic, viz. the first four rules, the Rule of Three, Vulgar and Decimal Fractions, Logarithmic Arithmetic, Plane Trigonometry, and to keep a ship's reckoning at sea.

He is to be examined as to his fitness by the Naval Instructor of the Flag Ship of the port where his ship may be fitted out, or by some

other competent person to be named by the Port Admiral, who is to give a Certificate of his fitness, which is to be transmitted to this Office before the appointment is approved.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

The pay of the Seaman's Schoolmaster is to be in 1st Rates £2. 12s.—2nd Rates £2. 10s.—3rd Rates £2. 8s.—4th Rates £2. 6s.—5th Rates £2. 4s.—6th Rates £2. 2s.—below 6th Rates £2. 1s.

By Command of their Lordships,
C. Wood.

That commanders doing the duty of first lieutenants shall share like other commanders.

acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive a proportion of the flag share, according to the number of capturing ships or vessels belonging to each flag respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such

muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution herebefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

BY THE KING. A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has

been humbly submitted to Us, by Our said Commissioner that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect.

We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, Ac. J. W. CROKER.

Service, both Naval and Military, on producing a Certificate of their rank and length of service, signed by competent Authorities.

2. Officers of the Army or Navy, who propose to proceed to the Colonies in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Master-General and Board of Ordnance, or of the Lords Commissioners of the Admiralty, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

3. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate, and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

4. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges in the acquisition of Crown land. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their commissions, they should apply for a certificate from the General Commanding in Chief, or from the Master General of the Ordnance, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in Her Majesty's Service.

6. Medical Officers of the Army who have commuted their Half Pay, will be entitled to the same advantages in the purchase of Land as Subaltern Officers who have sold their Commissions for the purpose of Emigrating.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, the Titles to lands obtained by Officers who take advantage of the Regulations existing in their favour, will be withholden for two years from the date of sale.

Note. These Regulations are not applicable to the Colony of South Australia.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day: but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day: if able to contribute in a small degree to his livelihood,

from Ninepence to One Shilling a day: and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, reckoning only from the age of Twenty, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years, provided his servitude of Twenty-one Years shall have been completed within Thirty Years from the aforesaid age of Twenty Years, or that he shall not have been out of the service more than five years at any time.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for sickness or debility contracted in the Service, or for wounds or hurts received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper care on his part, may be awarded a Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

And in cases under 14 Years, where a Sum, as Gratuity, may be considered more advantageous for the Claimant's interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension.

Art. 6.—In any of the cases in Article 3, 4, and 5, if any Man shall become totally blind, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence a day, in addition to the amount specified in the said Articles.

Art. 7.—An Ordinary Seaman shall receive three-fourths, a Landman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman. Private Marines to be considered as Able Seamen.

Art. 8.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen, or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz. :—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years' Service, Twopence a day, in addition to whatever Pensions they may be entitled to.

Art. 9.—Persons discharged with disgrace, or for *offen es*, or by sentence of a Court-Martial, are not entitled to any Pension, and no period of time shall be allowed during which a Seaman or Marine shall not have maintained a good character in the Ship or Division to which he belonged. All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be retaken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 10.—All Men invalided from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 11.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service.

Art. 12.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the

Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

On a ship being ordered to be paid off, the Captain or Commanding Officer may recommend for the Medal and Gratuity any Petty Officer or Seaman, or Non-Commissioned Officer or Private of Marines (not exceeding in number the proportion of one for every hundred of the Crew) who shall have completed 21 years' service, who shall have behaved himself invariably well in such ship, and who shall be in possession of Certificates of good conduct throughout his former service. By Command of their Lordships,
GEORGE ELLIOT.

Twenty-one years' Service at Sea or on Foreign Service shall entitle him, as it does a Seaman, to his discharge and Pension; two years' Service on shore in England shall be allowed to reckon as one year served afloat for this purpose; but no Marine shall be entitled to such Pension who shall not have served Ten Years actually at Sea or on Foreign Service.

By command of their Lordships,

The other restrictions specified in the said Article continue in force.

By command of their Lordships,

Art. 3.—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority: but, in the event of there being more Admiralty or *College Midshipmen* unemployed than can be provided for under the regulation in the foregoing article, their Lord-

ships will give them appointments as *Extra Midshipmen* (in no case exceeding two in any Ship), to be borne in lieu of an equal number of Seamen, and to be included in the respective complements, as vacancies may occur.

Art. 5.—Volunteers of the 1st Class, and Young Gentlemen educated at the Royal Naval College, are not to be rated as Midshipmen until they shall have completed two years' service at sea.

Art. 6.—In cases where 1st Class and College Volunteers who are borne in the complement may have completed *four years' servitude*, including their College time, and where there are no vacancies for rating them as Midshipmen in the complements, *they may be rated and borne as Extra Midshipmen* (provided the number shall not exceed two in any ship), until vacancies occur for them in the complement of Midshipmen: but their vacancies are not to be filled up in the Volunteers' Class so long as they remain Extra Midshipmen.

Art. 9.—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. Two Clerks shall be allowed to all rated Ships, one of whom shall be selected from those who have passed Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be

filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board. By command of their Lordships,

He will be required to have a thorough knowledge of Practical Observations of the Sun, Moon, and Stars, for ascertaining the Latitude; to work double Altitudes; the Longitude by Chronometer; and to keep a Ship's reckoning by the common Rules, usually denominated a day's-work. The Certificates of Qualifications are to be signed by the Captain, or Commander, as well as by the examining Officer; and all Candidates who shall be found qualified, agreeably to the before-mentioned provisions, will be considered eligible to be appointed by their Lordships as Acting Masters' Assistants in Her Majesty's Navy accordingly.

By Command of their Lordships,
R. MURDOCH.

Admiralty, 23rd June, 1842.

RULES AND REGULATIONS RESPECTING THE EXAMINATION, APPOINTMENTS, RANK, PAY, AND ALLOWANCES, ALLOTMENT, UNIFORM, AND SUPERANNUATION OF ENGINEERS IN HER MAJESTY'S SERVICE.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Class, until he shall have passed an examination on the points stated below, or on such other points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Captain Superintendent of Her Majesty's Dock Yard at Woolwich, and the Chief Engineer and Inspector of Machinery, or before such other Officers as their Lordships may appoint for that purpose.

Before presenting himself for examination, the candidate must prepare specimens of working sketches, and of his proficiency in accounts.

FIRST CLASS ENGINEERS.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts, and to make notes in the Log of every particular of the working of Engines and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, capable of working the engines and boilers, and of setting right any defects which may arise in them, and of adjusting the length of the various rods and motions, slide valves, eccentrics, &c.

He must also be able to make rough sketches, with the requisite dimensions fit to work from, of every part of an engine, and be willing to take charge of and teach the Engineers' Boys.

SECOND CLASS ENGINEERS. Must not be inferior in education to those of the First Class, and but little inferior to them in mechanical acquirements, and must also be willing to take charge of, and teach the Engineers' Boys.

THIRD CLASS ENGINEERS. Must be equal in education to the Second and First Class Engineers, and acquainted with the principles of Marine Engines and Boilers, and with the names and uses of all their parts. They must also be able to make rough sketches as before described.

Those who have not served in Her Majesty's Navy as Engineers' Boys must be examined by the Surgeon of the Establishment as to their being of sound bodily constitution, and they must produce well authenticated certificates from the Engineers in whose Factories they have worked, of their being skilful workmen, of good disposition, and of good conduct in every particular, *especially as regards sobriety.*

Appointment.—Engineers are appointed by Warrant from the Lords Commissioners of the Admiralty, or by Commanders in Chief on Foreign Stations in vacancies occasioned by death, in the same manner as other Warrant Officers of the Navy are appointed.

No person will be considered eligible for a Second Class Engineer without having served at sea as an Engineer, nor for the First Class without having served as Chief Engineer of a sea-going Steam Vessel; in either case, the candidate must produce satisfactory testimonials of his efficiency and good conduct while thus serving at sea.

An Engineer after having served 3 years in the Third Class will be permitted, if he can produce good certificates from the Commanders under whom he may have served, to present himself for examination for the Second Class, when a suitable opportunity shall offer, and in like manner after having served 3 Years in the Second Class, he will be permitted to present himself for examination for the First Class. If, however, on examination it shall appear to the examining Officers that the qualifications of a candidate are such that a shorter period than 3 years may be sufficient to enable him to acquire the experience necessary for performing the duties of a higher class, a note thereof, with the reasons, will be made upon the passing certificate, which will render him eligible for examination and promotion in less than 3 years, if his subsequent conduct should appear to merit it.

Rank.—Engineers are distributed into three classes, they rank next below Carpenters, and with each other according to their standing on the official list.

Pay and Allowances.—To Engineers when serving on board one of Her Majesty's Steam Vessels in Commission; or in any of Her Majesty's Dock Yards, whenever their services may be required there; or in repairing their own or any other vessel in the Home Dock Yards, Holvhead, the River Thames, Portsmouth or Plymouth Harbour; or when the Vessel to which they belong is paid off, and they are still retained on board:

1st Class, 12l. per lunar month. 2nd Class, 8l. per lunar month. 3rd Class, 5l. 6s. per lunar month.

When borne on the books of the Guard Ships of the Ordinary, and not actually employed in the charge or repair of Steam Machinery—1st Class, 7l. 17s. per month.—2nd Class, 4l. 18s. per month.—3rd Class, 3l. 8s. per month.

The First Class Engineer of Ships in Commission is to have the instruction of two Engineers' Boys, and to receive an allowance of 6d. per day for each.

When there are three Engineers' Boys the Second Class Engineer is to instruct the junior boy of the three, and to receive the allowance of 6d. per day.

When there are four Engineers' Boys the senior Second Class Engineer is to instruct the third boy. The junior Second Class Engineer the fourth boy, and each is respectively to receive the allowance of 6d. per day for the instruction of the boy placed under him.

This allowance is to be granted only on the production of a certificate from the Commanding Officer under whose orders the Engineers may be actually serving, that the boys have been duly instructed in conformity with the established regulations, and such Certificate is never to be granted, unless the Superintendent of the Dock Yard, or the Officer in command of the Vessel, be thoroughly satisfied, from personal observation, that the intentions of these Regulations have been strictly carried into effect.

Engineers when serving on board one of Her Majesty's Steam Vessels *within the tropics*, while the steam is up, are to receive one half the amount of the pay of the respective classes in addition: for which they may draw every six months whether they allot or not.

When Engineers do not draw for their tropical pay, a Certificate is to be granted to them, similar to that on the back of the Bill, for the adjustment of their claims to the said pay on their arrival in England.

Engineers of Vessels in Commission when employed in repairing defects of other Vessels than those in which they are serving, *except in the Home Dock Yards, Holyhead, the River Thames, Portsmouth or Plymouth Harbour*, to be allowed extra pay as Warrant Officers in addition, according to the scale established by Her Majesty's Regulations, namely, two shillings a day.

MEMORANDUM.

Admiralty, 20th Dec. 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time.

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 19th Oct., 1840.

The Lords Commissioners of the Admiralty are pleased to direct that the questions and instructions for the exercise and service of great guns on board Her Majesty's Ships shall form part of the examination of Midshipmen for the rank of Mate or Lieutenant, and that a Certificate shall be given to such only as may answer and understand the several points to which these questions refer; and my Lords further direct that such portions of the Examination in the questions and instructions as can be carried on on board Her Majesty's Ship Excellent shall be made there, and that no Candidate for Examination shall be permitted to present himself at the College unless he produce a Certificate from the Captain of Her Majesty's Ship Excellent of his being qualified in Gunnery in addition to the usual certificate of his being qualified in seamanship.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 30th July, 1842.

Adverting to the directions of my Lords Commissioners of the Admiralty which accompany the Questions in Naval Gunnery, issued by them on the 19th October, 1840, I am commanded by their Lordships to refer you to the

subjoined Copy of a Letter from Captain Sir Thomas Hastings of the Excellent, relative to the state of preparation in which Midshipmen are found to be who present themselves for examination; from which Letter it appears to their Lordships that those directions have in numerous instances been very imperfectly obeyed, or the results stated by Sir Thomas Hastings would have been more satisfactory.

My Lords therefore desire the particular attention of the several Captains and Commanding Officers of Her Majesty's Ships to their said directions, and that they will frequently examine the Midshipmen on board their respective Ships, as to their proficiency in the explanations and instructions put forth in the Books on Gun Exercise and Naval Gunnery, so that when Young Gentlemen present themselves for examination on board the Excellent they may not be found so lamentably deficient in this important portion of their duty.

By Command of their Lordships,
SIDNEY HERBERT.

To all Commanders in Chief, Flag Officers, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

*Her Majesty's Ship Excellent,
8th June, 1842.*

Sir,—I have the honor to report, that since the order of the Lords Commissioners of the Admiralty was carried into effect, that Candidates should not be examined at the Royal Naval College, unless they produce certificates of qualification in Gunnery from the Captain of the Excellent, the Mates and Midshipmen who have presented themselves for examination in Gunnery on board that Ship have been very deficient, not only in a knowledge of the three books on Gun Exercise and Naval Gunnery, issued by their Lordships, to all Ships for the instruction of the Mates, Midshipmen, and First Class Volunteers of Her Majesty's Navy, but also in their practical duties as Captains of Guns, and of Officers in command of the Quarters.

I have therefore permitted them hitherto to prepare themselves for examination on board the Excellent during the hours of instruction; but as it appears to me that great evil would result from perpetuating a system which involves ignorance of Gunnery nearly up to the time of passing, and also that it is clearly the intention of their Lordships, that the required knowledge should be gained by Young Gentlemen during their six years of probationary service, under the Gunnery Lieutenants, Naval Instructors, Mates, Gunners and Seamen Gunners, of the Ships in which they are serving, I feel it a duty to request that you will be pleased to state this case to the Lords Commissioners of the Admiralty, and to move their Lordships to signify their pleasure on it.

I have the honor to be, Sir,
Your most obedient humble servant,
THOMAS HASTINGS, Captain.
Admiral Sir Edward Codrington, G.C.B.

MEMORANDUM.

Admiralty, 14th August, 1850.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Volunteer of the First Class who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to

the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications:—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the altitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

REGULATIONS FOR GRANTING ALLOWANCES FOR THE LOSS OF CLOTHING, INSTRUMENTS, &c.

Her Majesty having been graciously pleased, by Her Orders in Council of the 10th of August, 1840, and 11th instant, to direct that Officers of all ranks and classes in the Royal Navy and Marines, and also Seamen, and Privates of Royal Marines, shall receive a compensation for the loss of their Instruments, Clothing, and other effects, subject to such Rules and Regulations as the Lord's Commissioners of the Admiralty may think fit to establish: provided they shall be acquitted of all blame as to the cause of any such loss, their Lordships are pleased to give notice that the following Regulations shall be observed in respect to the granting of compensation for such losses.

1. That the principle upon which allowances for articles lost on Service are granted, shall be, that of enabling individuals to re-equip themselves for Service,—and allowances are therefore not to be considered as given for the purpose of making good the full amount of loss sustained.

2. Allowances are to be only made for losses which have been altogether unavoidable, such as losses in action with the enemy; by accidental fire; by shipwreck; by capture at sea: provided that in all these cases, every exertion was used to prevent the loss, and that it was not incurred by the neglect or fault of the applicant for relief; and in no case will an allowance be made exceeding the maximum sums stated in the Schedule attached hereto.

3. If the Admiral or Commanding Officer of the Squadron on the spot, shall be satisfied on inquiry that losses have been unavoidably sustained, which in his opinion may admit of compensation on the principles laid down in the foregoing Regulation, though not precisely specified therein, he shall be at liberty to make a special representation thereof, transmitting the necessary proofs to the Secretary of the Admiralty for final decision.

4. No claim will be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

5. Whenever baggage or articles of equipment are sent by a vessel, in which the Officer to whom they belong is not himself a passen-

ger, it is incumbent upon such Officer to protect himself against loss, by effecting an insurance thereupon; and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the public for any loss that may happen.

If any loss shall occur under circumstances which give the Officer a claim to indemnification from the party through whose fault it happened, no allowance for such loss will be made by the public; but should the Officer desire it, and lose no time in making application to the Officer commanding Her Majesty's ships on the spot, an inquiry will be ordered, to afford every possible assistance in substantiating the claim, by making the necessary inquiries, and obtaining proper documents to prove the facts of the case.

6. When losses occur on Service, the Admiral shall order, with all convenient dispatch, an investigation of claims arising from those losses, which inquiry is to be conducted on the principles laid down in this Regulation, and the several proofs to be produced in the forms hereinafter described; and the whole of the proceedings, or certified copies thereof, are to be transmitted to the Officer commanding the Squadron, for his observations and opinion, and by him forwarded to the Secretary of the Admiralty for their Lordship's final decision.

7. In all cases which are not attended with the entire loss of clothes of an Officer, Seaman, or Marine, no claim is to be allowed, unless the loss extends to the value of one-fourth of the amount allowed as compensation for the whole in each rank; and a list of the articles lost shall be delivered, and the Investigating Officer shall report whether he deems one-fourth, one-half, or three-fourths of the sum allowed for the whole, a sufficient compensation for the loss so sustained.

8. If an Officer, Seaman, or Marine, shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects; unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

Personal Losses of Officers.

9. The whole equipment of Officers of the several ranks, including the articles in wear, shall be valued according to the scale No. 1.

10. The claims of all Officers to allowance for articles lost on Service, shall be made out, and certified according to the form No. 2; and separate Lists shall be transmitted of all Instruments and Books, subjects strictly professional, shewing their original cost, and the amount of the damage they may have sustained.

11. If losses should occur in other situations where a greater extent of equipment is absolutely required by the nature of the Service, the actual amount of loss suffered, and the circumstances attending it, may be specially stated at any inquiry appointed for the investigation of losses; such inquiry proceeding in the investigation of the claim upon the same principle as in the preceding article.

The opinion of the Officers assisting at such inquiry, will be forwarded for the consideration of their Lordships.

12. Losses of necessaries incurred by the Purser, shall be made the subject of a special application and decision in each particular case.

13. No allowance shall be granted for losses sustained by Officers when proceeding on, or returning from leave of absence.

14. No claim shall be admitted on account of the loss of money, being the private property of individuals.

Losses of Petty Officers and Seamen, and of Non-commissioned Officers and Marines.

15. Claims on account of Losses on Service by Petty Officers. Non-commissioned Officers, Seamen and Marines, individually, are to be made out and certified according to Form, No. 8.

16. All admissible claims of this description shall be settled by allowing for the whole, or for a certain proportion, or rate, of a complete set of Bedding or Clothing, according to the circumstances of each case.

By command of their Lordships,
SIDNEY HERBERT.
